

The Checklist

So many deadlines, we know! So here's a checklist for the next year.

Visit Campus

By visiting campus you will have the chance to meet with professors, coaches, current students and admissions staff. You will also learn more about campus and take a tour. You can book an individual visit or a group visit – or come during one of the Visit Days in fall or spring.

Apply

Applying to most schools is free and easy. Think of applying like opening another option for you to pursue. You will need to submit your test scores and transcript.

Financial Aid

Remember, pay attention to each school's priority deadline. Have your FAFSA (Free Application for Federal Student Aid) completed before the priority deadline so you can be considered for the maximum federal funding if you are eligible. You can apply online at www.fafsa.ed.gov. If you have questions, be sure and contact that school's financial aid office!

Deposit

Submit your enrollment confirmation deposit before registering for classes. The benefit of submitting the enrollment confirmation early is priority housing and course selection. The earlier you sign up, the more options are available to develop the class schedule you prefer.

Complete Online Housing Form

This form must be completed by all students whether living on or off campus.

Submit Online Mandatory Health Forms

This form must be completed by all students whether living on or off campus.

Registration Days

The main focus of new student registration days is to sign up for classes, but many other things happen that day. You will take your student ID photo, receive your mailbox assignment, get your campus intranet login and much more. Registration days are scheduled for late spring or early summer. The earlier you attend registration days, the more options are available to develop the class schedule you prefer.

Final Transcript

Send your final transcript to the admissions office. Your final transcript needs to be sent in a sealed envelope from a school official, containing your graduation date, class rank and GPA.
