DDN Campus Student/Parent Portal
Acceptable Use Policy

Flandreau Public School has the Student/Parent Portal to DDN Campus as a means to further promote educational excellence and to enhance communication between faculty, students and parents. The Portal allows students to view their own school records and parents to view their own children's school records anywhere at any time. In response for the privilege of accessing the District's Student/Parent Portal, every student and parent are expected to act in a responsible, ethical and legal manner. The Portal is available to every student, parent and/or guardian of a student enrolled in the Flandreau Public School District. Students and parents are required to adhere to the following guidelines:

- Students/parents will not share their passwords with anyone, including family members.
- Students/parents will not attempt to harm or destroy data of their own, their own children, of another user, of the school or district network, or the Internet.
- Students/parents will not use the portal for any illegal activity, including violation of Data Privacy laws. Anyone found to be violating laws will be subject or Civil and/or Criminal Prosecution.
- Students/parents will not access data or any account owned by another.
- Students/parents who identify a security problem with the Student/Parent Portal must notify the district office immediately, without demonstrating the problem to anyone else.
- Students/parents who are identified as a security risk to the Student/Parent Portal will be denied access to the Student/Parent Portal.

User guidelines and system requirements are attached. Please review them before signing and returning this document. Without signing and returning the agreement, access to the DDN Campus Student/Parent Portal will be denied.
