Division I Representative Bios

Dan Conrad, Sioux Falls Jefferson

Dan Conrad was born and raised in Sioux Falls, South Dakota. He is a graduate of Roosevelt High School, Augustana University, and has completed graduate work at University of Sioux Falls and University of South Dakota. Dan has served the Sioux Falls School District as a teacher & coach for 11 years, and as a principal/assistant principal for 14 years. He is currently serving as the principal Jefferson High School. Dan has been involved in activities throughout his educational career. As a student, he benefited from the SDHSAA as he participated in football and basketball, and in college he played baseball at Augustana University. As a teacher, coach, and administrator, he has seen first-hand the importance of students being involved in high school activities and the impact it has on students.

Krista Inman, Rapid City Stevens

Hello, my name is Krista Inman. I have been in the educational system for 28 years. I began my teaching career at Watertown High School teaching special education. I worked in that capacity for 23 years from 1995-2018. In 2019, I moved to Rapid City and was a Special Education Program Specialist that oversaw our middle schools, high schools, and 18-21 special education programs for students with moderate to severe disabilities. This was a great job, however; I was missing the piece I loved the most, being a part of a school. Last year, I was fortunate enough to be offered a position at Stevens High School as an assistant principal. I am back where I belong, in a high school where I can be a part of everything I love – a family of students, teachers, and coaches. The pride in our athletic and fine arts programs and doing what's best for them is a pivotal and rewarding piece not only for our high school but for all of the high schools in the state of South Dakota.

While in Watertown, I was the sideline cheer coach from 1995-2013 and competitive cheer coach from 2008-2018. As a sideline coach, I was very involved with and provided support in all the sports which the girls cheered for (football, boys & girls basketball, wrestling). I attended every game and enjoyed each sport. In addition, both of my children were involved in a variety of school athletics. When competitive cheer began as a new sport, I was an integral piece in the creation of the current rubric and building the sport to where it is today. Currently I am a judge for competitive cheer and dance.

Ryan Rollinger, Harrisburg

My name is Ryan Rollinger, and I have just completed my 23rd year in education in the state of South Dakota; 7 of those teaching in the classroom, 10 as an assistant principal, and most recently 6 years as the high school principal of Harrisburg High School, in Harrisburg, SD. Athletics and coaching were a big part of my journey as I served as a head girls and boys basketball coach, an assistant girls and boys basketball coach, and an assistant football coach for the first 17 years of my career.

In my educational career, I have been a part of the fastest-growing district in our region. I have helped create policy and change as we grew from a high school of 300 to now topping 1,700. I have been on several educational committees, state boards, and national advocacy groups, along with SDHSAA on the basketball advisory committee. As I feel the activities we offer to our student-athletes are an extension of the classroom and an important part of their development, I would be honored to represent the Division I schools in the principal position on the SDHSAA Board of Directors.

Adam Shaw- Madison Central High School

Thank you for taking the time to read through this quick bio. My name is Adam Shaw, and I am currently the high school principal for the Madison Central School District. I live in Madison with my wife Kate, and we have three wonderful children Brandon (22), McKenna (18), and Daveney (16). This year will conclude my 22nd year in public education. I was born and raised in Rochester, NY and graduated from high school in 1995. During the fall of 1995 I arrived in Madison, South Dakota to obtain a degree from Dakota State University and play football for the Trojans. At the conclusion of my collegiate career in 2000, I was hired by the Flandreau School District to teach Middle School Science. While teaching in Flandreau I coached football, wrestling, track, and summer boys' softball.

In 2004 I enrolled at the University of Sioux Falls and completed two master's degrees in school administration and technology integration. In 2006 I began my administrative career for the Marion School District. My role at Marion was high school principal from 2006-2010 and superintendent from 2010-2013. In 2013 I was hired to be the high school principal in Madison. During my time in Madison, I have had the opportunity to work with the SDHSAA through state events and also serving on the financial board of directors representing the SDASSP for the last five years.

Having children who have participated in athletics, and knowing the importance of the SDHSAA is what drives me to take on the challenge of serving on the SDHSAA Board of Directors. This would provide me with the chance to work on behalf of school districts and the SDHSAA to enhance the opportunities for the current and future students in our amazing state. I would appreciate your vote of support.

Jeff Sheehan- Hamlin High School

Hello, my name is Jeff Sheehan. I graduated from Watertown High School where I was a 4-sport athlete. I received my Bachelor's degree in Physical Education and Master's in Educational Leadership from North Dakota State University and my Specialist from University of Sioux Falls. I have been in education for 23 years, 8 as a classroom teacher and 15 years as a principal. I have also served as Athletic Director for 9 years at 3 different schools throughout those years. I have been a coach all 23 years of my career, coaching several sports at various levels, including volunteer coaching Special Olympic athletes.

I am currently finishing my 14th year as the middle/high school principal at Hamlin Education Center and am also the head football coach and assistant athletic director. I have always been passionate about sports and believe there are many life lessons to be learned from participation in athletics. They are an extension of the classroom and can be character building. I believe I can bring a unique perspective to the board, being from Hamlin with our distinctive population and circumstances and I would appreciate the opportunity to represent fellow coaches, athletes and educators as a member of the board of directors.
